

Firsthand Experience for Aspiring Health Care Professionals

Health Scholar Program

As a Health Scholar, you'll gain firsthand experience in a clinical setting, impact patients' lives and become an integral part of the patient care team. This unique program allows you to assist with basic care for patients alongside nurses, doctors and other clinicians, preparing you for your career in health care. Program options available for completion in 15 months or less.

\$232 One-time Program Fee
 Program fee varies depending on track selection : 15, 9 or 3 months.
