## Greetings

Thank you, valued Wetlands and Wildlife Care Center supporter, for taking the time to review our invitation to join us as a sponsor for our upcoming Mad Hatter style “High Tea for the Hummingbirds,” which is set to take place on April 28th, 2024 at the Lake Park Clubhouse on 1035 11<sup>th</sup> St. in Huntington Beach, CA. WWCC is a wildlife rehabilitation center and 501c3 non-profit dedicated to the rescue, rehabilitation, and release of Southern California’s native wildlife.

When you become a sponsor, you have the opportunity to promote your business while also supporting our organization’s initiatives to educate the public about human impact on the environment and mitigate that impact through care and rehabilitation of native wildlife. Your sponsorship helps achieve this goal by funding our veterinary, rehabilitation, and educational programs.

In exchange for sponsoring our upcoming event, your brand will be prominently featured in promotional materials for the event and included on our website’s sponsor page. Simply provide us with specific details about the nature and quantity of your contribution, your company logo, your website address, your desired contact information, a few photos highlighting your brand, or other marketing materials. To sponsor this event, visit our website, scan the QR code to the right, or text **hummingbird** to (714) 617-8725.

## Event Overview

Our Mad Hatter style High Tea combines the world of an English high tea and the advocacy of wildlife rescue, rehabilitation, and release. Attendees will enjoy delicious food and sweets while sipping tea or imbibing British cocktails. Although the WWCC helped over 200 different species last year, we are highlighting our littlest patients -- hummingbirds. Learn about the importance of the hummingbird as a pollinator and watch our team feed baby hummingbirds!

## Your Sponsorship Would Make a Big Difference!

The Wetlands and Wildlife Care Center is exempt under 501(c)(3) of the IRS and this gift is tax deductible (Tax ID # 33-0969297). We rely on the generosity of individuals and businesses like you for support. Your donation will provide the necessary tools to fulfill our mission. The net proceeds from our High Tea for the Hummingbirds will be used to maintain and protect thousands of wild animals, several of which are on the US endangered and threatened species list. Thank you in advance for your generosity. Your contribution will make a positive impact on assisting the Wetlands and Wildlife Care Center in our mission and goals.

Best regards,

Debbie McGuire, MBA  
Executive Director
